

*Home Learning Tasks  
Spring Term 2016  
Which 8 will you choose?*

## Leven CE (VC) Primary School

*Enriching Life Through Learning*

<i>Subject</i>	Theme	Task	Suggestions
Science	Animals of the World	Can you present information for how to look after an animal of your choice?	You could choose your own pet or something more exotic such as tigers or blue whales! You could describe how to care for your chosen animal, including feeding, exercise and hygiene. You could present your work as a poster, powerpoint presentation or instruction booklet.
Geography	Habitats	Can you design and label a habitat for your chosen animal?	You could draw a picture of the habitat for your animal. You could label the habitat using phonics and also adjectives. To extend the activity, you might like to find out where this habitat might be in the world.
Art	Creature creations	Can you create a new animal by combining features of different animals?	You could choose to use the trunk of an elephant, the wings of a bird and the body of a snake. You might like to give your animal a name e.g. an elebake! You could use whichever media

			you like to create your picture e.g. paint, collage, pencil drawing etc.
RE	The Easter Story	Can you retell the Easter Story?	You could use story mapping, story writing, pictures etc to retell the Easter story and you could present it to the class.
Design Technology	A healthy snack	Linked to our work on healthy living and preparation of food, can you plan and make a healthy snack?	You could take a photo of your snack or even bring it in to share! To extend this, could you use food from different countries?
PE/Science	An exercise log	Can you keep a log of the exercise you have undertaken over the course of a week?	You could make a photo diary or log book to show the exercise you have done over the course of a week. You can think about how this makes you feel and why it is good to exercise regularly. You could even ask an adult to measure your pulse after you have exercised.
PSHCE	Animal care	Can you explore how you care for animals?	This is a discussion based piece of work. You could talk about the similarities and differences between caring for animals and humans.
Maths	Learn its and number work – see separate sheet for each year group.		

English	Read, read, read!	Can you read on a regular basis at home?	You should read your school reading book, the Bug Club books, books from the school and village libraries, magazines, comics, longer books and books for pleasure.
Phonics/ Spelling	See separate sheet for each year group.		
Music	Animal anthems	Can you learn a song about an animal or animals?	Could you learn the song, include actions and even perform at home or school?
British Values	The world of work	Can you think about a job you might like to do when you grow up?	Could you find out about different jobs people do? You can ask adults you know about their jobs.
Just for fun	Spring Photo	Can you take a beautiful Spring photograph?	You could decide what you will take a picture of. We will add the photographs to our Spring display and we will be awarding prizes at the end of term for the most original photo. Get snapping!
